

MAKING ETHICAL DECISIONS (MED) - NCCP

Effective 2017, Athletics Ontario will be requiring all registered coaches to have completed the Making Ethical Decisions module by the end of the calendar year. As a coach, you will deal with a variety of situations that may be difficult to navigate. The MED training helps coaches identify the legal, ethical, and moral implications of difficult situations that present themselves provide the coach the tools to be fully equipped to handle ethical situations with confidence. AO believes this is a necessity for every coach!

Upon completing the MED module you'll be able to:

- Analyze a challenging situation and determine if it has moral, legal or ethical implications
- Apply the NCCP Making Ethical Decision model to properly respond to each situation in a way that is consistent with the NCCP Code of Ethics

Do you have more than 8 coaches in your club or area that need MED - Run your own course! To find out more about hosting the course contact Kyle Smith
