

The First 12

The Launcher Twilight 2

Wednesday July 19, 2017

The Launchers Athletics Club will be hosting the last throwing event of the season at the Launch Pad in Port Williams on Wednesday July 19th. (Rain Date on Thursday July 20th)

NEW!! In Europe they have been given (4) attempts instead of (6) six trials at major competitions. At this meet, **there will only be (4) four trial throws.**

The rationale for the (4) trial competition is;

1. To make sure we can fit in all three events for the evening program.
2. To better prepare our throwers for major competitions. To manage their throws series better in order to qualify for top 8.

There will be three events offer and open to the first 12 throwers who register (males, females all age groups combined) per event. The FIRST 12 per event.

Schedule

Javelin – 5pm

Shot Put – 6pm

Discus – 7pm

Rain Date

If weather conditions are poor. The event will be rescheduled for Thursday July 20th.

Registration Fee

\$20 per athlete.
