THE RACE START:

Athletes should be in the start area **20 minutes before** the schedule race start time. Runners should be wearing their correct bib (*wrong bib = no time/no ranking*) pinned to the **FRONT** of their **SCHOOL** shirt.

In the start area, the race starter will give the following start time notices:

2 Blasts of AIR HORN = 10 minutes to the start of the race

1 Blast of AIR HORN = 5 minutes to the start of the race

Multiple Quick WHISTLE Signal = 1 minute warning to the start of the race

The starter will be situated 50 meters in front of the start line. All runners should remove warm-ups starting on the 5 minute warning horn and assemble on the start line by the 1 minute whistle signal. Each teams should line up on the start line in running order.

THE START:

A white flag will be raised into the air 15 seconds before the race start which will then be followed by an AIR HORN BLAST to begin the race. Should any athlete fall in the early stages of the race start, series of WHISTLE AND AIR HORN blasts will signal the stop of the race and runners will return to the start line to repeat the process of the start.

The course will be CLEARLY marked and the paths flagged with RED and LIME GREEN flags. **RED FLAGS WILL BE THE ATHLETE'S RIGHT SIDE** and **LIME GREEN FLAGS WILL BE ON THE ATHLETE'S LEFT SIDE.** No runners will get lost or wander off course.

Individual awards will be given IMMEDIATELY after each races. Team score will be compiled and final results will be posted on the patio.

SCORING:

The first 4 place finishers of a team are totaled to comprise the score for the team. All 4 athletes MUST finish the race to qualify for a team score. The other members of the team will act as displacers and will not score.

In the event of a tie, it shall be resolved in favour of the team whose fourth runner finishes nearest first place.

Scoring for Overall Champions will be determined by place finishes in the divisional races and the following point system will be used :

1st = 15pts, 2nd = 12pts, 3rd = 10pts, 4th = 9pts, 5th = 8pts, 6th = 7pts
7th = 6pts, 8th = 5pts, 9th = 4pts, 10th = 3pts, 11th = 2pts, 12th = 1pt

The winning school will have accumulated the most points from all three divisions.
