## **THE HERSHEY GAMES**

This youth initiative was designed as a way for Hershey to give something back to the community. The program is aimed at 9 to 14 year-old boys and girls and is organized by State or Province. The States and Canadian provinces are grouped into 8 regions which send teams to the National Final (which has been renamed the North American Final for the participation of Canadian athletes.) The program has a fixed list of events and is set up in three two-year age groupings (9/10, 11/12, 13/14). Each Province (State) holds Hershey program meets and a Provincial Final. Results of the Provincial Finals are sent by Provincial Program Coordinators to the Atlantic Canada Regional Coordinator, who ensures that a minimum of 5 and maximum of 25 representatives (a minimum of 5 athletes from all four Atlantic Provinces) from Atlantic Canada are on the Regional team, which is then entered in the North American Final.

Regional Coordinators and the Regional Teams are flown at Hershey's expense to Hershey, PA for the North American Final, August 2 - August 5, 2012 .
