## Purpose

To establish a policy for the use of the outdoor courts that covers guest players on the Edmonton Pickleball Club (EPC) managed courts.

## Scope

This Policy will apply to all EPC members, guests, underage players and non-members.

## Procedure

EPC encourages people of all ages to learn how to play pickleball. The EPC operates outdoor court play in partnership with Royal Gardens Community League (RGCL). Both parties make a concerted effort to create a pleasant, inviting and safe playing environment. To achieve this, the following requirements are to be followed to address a guest wishing to play on the EPC managed courts.

## Guest Players

Players 18 years and older who are visiting the metropolitan area are permitted to play on the outdoor courts under the following conditions. The guest must:

- Execute the club's the "Release of Liability, Waiver of Claims, Assumption of Risks and Indemnity Agreement" form prior to play.
- Pay any fee which has been approved by the EPC Board of Directors.

Guest visits are limited to three visits; thereafter, the guest will be required to purchase an EPC membership.

The EPC Summer Student or any EPC member will assist the guest(s) in accessing the Release Form and collect any required fee.
