Rob Squair, Director at Large
Vanitha Moodley, Director at Large
Zelda Marshall, Director at Large

Membership

Thank you to all the members who continue to renew each year to support our club. Our membership currently stands at 81 members.

Upcoming changes due to Covid

Government of Sask. and Pickleball Sask. recently announced a suspension to pickleball play. NationsWest Field House Facility Management confirmed via email on Nov. 27, 2020 that the following is in effect commencing Friday Nov. 27, 2020:

- All games for youth and adults are suspended.
 - Only skills and drills are permitted (Example would be a member wanted to use the pickleball machine for practice).
 - Re-opening will be in determined by the government of Saskatchewan.
 - Further notice on restrictions is to occur at or around Dec. 18, 2020.
-

Going forward during these uncertain times

The current COVID-19 public health crisis has created a high level of uncertainty for the club going forward. The BPC Board hopes that each and every one of our members remains safe and well while we hunker down again for a while. Based on what has been witnessed, it has been demonstrated that our membership takes this matter very seriously and are all doing our part to stop the spread. Thank you for your care and attention.

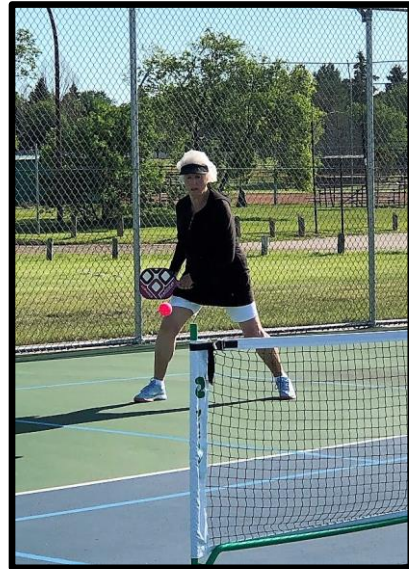

Depending on what the future holds in 2020/2021, we plan to survey the membership to measure interest in another rental arrangement with the Northland Curling Center/Twin Rivers Curling Club in the spring. We will not send a survey out until the new year but ask you to watch for it as your feedback is very important to us.

From the Board of BPC, we wish you a healthy, happy Christmas season and a much improved 2021 New Year.

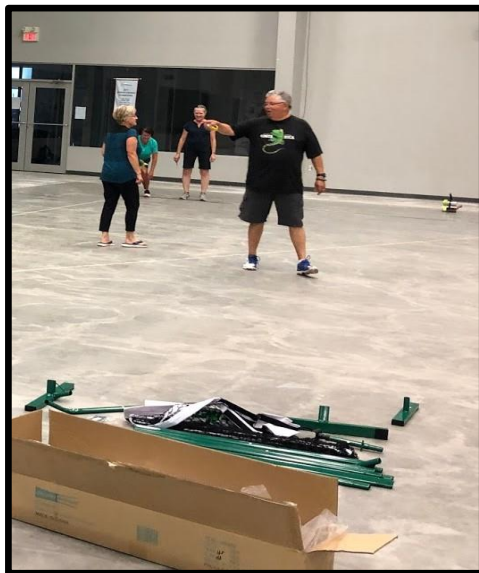

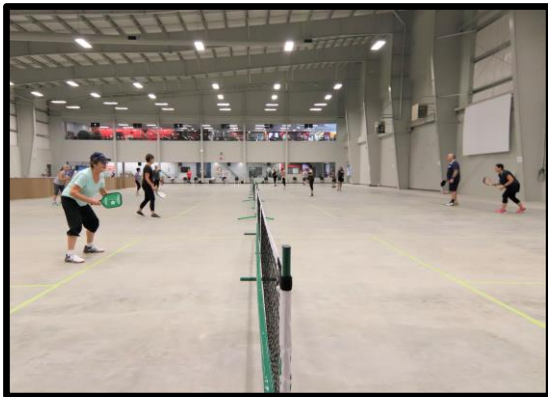

Some Fun In Covid 2020

Fun in the sun at the tennis courts

*Amazing! Our own courts
at the curling rink!*

And A COVID Social
