You can log on to the current development environment from all three levels:

- 1) PCO pickleballcanada.org
- 2) Province pickleballmanitoba.ca
- 3) Club winnipegwestpickleball.club

Hover over each link to see the full url if interested.

Your logon will redirect your lowest affiliated level in the hierarchy, which would be your primary club or your province. Note: all levels must be affiliated with PCO to use this system.

Here we will login from the WWPB website:

Points to know about this page:

- 1) Everyone requires a unique email (couples cannot share and address)
- 2) If you do not know your password use the "Forgot" selection. The system will email your address a link to reset your password.

Notice that “login” now changes to “MY Account

The system will redirect you to your member information page.

The screenshot shows the 'MY ACCOUNT' page. At the top, there is a navigation bar with 'MY ACCOUNT', 'MEMBER LOOKUP', and 'JOIN-RENEW' links. A blue arrow points to the 'MY ACCOUNT' link. Below the navigation bar is a sidebar menu with the following items: OVERVIEW, My Registrations, Winnipeg West Pickleball, Login Information, Technical Support, Video Tutorials, and LOGOUT. The main content area is titled 'Hello, what would you like to do?' and contains four cards: 'Pickleball Canada Membership' (with a renewal notice for July 31st, 2021), 'My Registrations', 'Login Information', 'Technical Support', and 'Video Tutorials'. Each card has a corresponding 'VIEW' button.

2. “My Registrations” shows your registrations with PCO, Province and Club
 - a. You can access your member information from here also. (address, phone, emergency contact etc.) See the Registration section below.
3. Technical support and Videos are self-explanatory.

Login Information:

The screenshot displays a user profile page for Evelyn Harrison. On the left is a dark sidebar with navigation options: Overview, My Registrations, Login Information (highlighted), Tech Support, and Tutorials. The main content area includes a profile picture placeholder with an 'Upload File' button and a note: 'Note: *.jpg, *.gif and *.png formats only. Max size is 3MB.' Below this are input fields for First Name, Last Name, Email address (with a green checkmark), and Phone number. A red 'Update Profile' button is at the bottom left. On the right, there are sections for 'Password modification' (with fields for Current, New, and Re-type new password) and '2-Factor Authorization (2FA)' (with an 'Enable 2FA on your account' link). At the bottom right is a section for 'Share account access with other email address' with five input fields labeled Email address #1 through #5.

Points to know about this page:

- 1) Share account access with other email addresses. I think this would be used for families that to be able to have a master account for billing information.
