

Manitoulin Pickleball Club - Safety Plan

The following information is intended to serve as a reminder of specific safe practises that are to be followed by players when playing indoors at the NEMI Rec Centre. In accordance with Ontario Regulation 364/20 and the Guidance document specifically the section pertaining to Sports and Recreation we have the following measures:

- ✓ Covid 19 self screening to be preformed by each person before entry into the facilities. Questions posted on the main entrance door.*
- ✓ Attendance sheet to be signed by all indoor players.*
- ✓ Masks are to be worn when not on the courts playing. Chairs are to be located in the non playing areas spaced for social distancing.*
- ✓ Sanitize balls after each game.*
- ✓ Antibacterial cleaner is available to players but we recommend that you bring your own.*
- ✓ Equipment and specific facility items will be sanitized after play.*
- ✓ Our capacity limits are much higher then are Club numbers. In any case the (2 meter) rule will govern how many chairs we can accommodate in the non playing areas and will be marked with tape on the floor.*
- ✓ Players may opt to play outdoors but in the course of scheduled play they enter the facility then they are required to screen and sign the attendance sheet.*
