We are delighted to announce Ilsa Wong as the new Coaching Director for Pickleball Alberta!

Ilsa is a strong competitor and is a Certified Level II referee. She currently sits on the Lethbridge Pickleball Board and helps out with programming.

This is a new position on the PA Board and will be the primary contact with Pickleball Canada and Tennis Canada as the National Coaching Certification Program (NCCP) for Pickleball rolls out. The first sessions were held in November - more to follow in 2022!

Many thanks to Ilsa for volunteering her coaching expertise as the PA Coaching Director. If you or your club have questions about coaching, please contact Ilsa at: coaching@pickleballalberta.org
