

Minutes

Attending: Julie, Erin, Bob, Rod, Barbara, David,

Absent: Allen, John

Director's meeting, September 12, 2021 7:15 pm

Impromptu meeting was called to discuss PoCo Rec Ctr courts

Grand opening will be held Oct 2/21.

Julie, Erin and Rod had a site visit to view the indoor and outdoor pickleball courts.

Outdoor courts:

Rod gave a detailed description of the courts for those who were not at the site visit.

The outdoor courts are not fenced. A number of safety hazards were identified.

The PoCoMo pickleball club was initially invited to play and demonstrate the sport at the Grand Opening on Oct 2/21.

The club will be declining the offer due to safety concerns, but are willing to have a canopy set up with the PoCoMo banner for promotion of the club. A draft letter was read which will be sent to Administration to advise them of our position on the matter. Although there is no guarantee, the hope is that there will be a further inquiry as to what exactly are our safety concerns. At that time a more detailed list of hazard/safety concerns can be sent to the appropriate personnel.

Indoor courts:

The indoor courts are very crowded with multiple lines. PoCoMo will not be reserving any court time. The cost of Sport Alliance which is approx \$1000 is not an advisable expenditure for sub-standard courts.

ACTION: Julie will set up a meeting for her and Rod to speak with Ryan regarding the concerns of the outdoor courts.
