

Red Deer Pickleball Club News April 6

Weather permitting we are hoping to open our Pickleball courts the week **after Easter Weekend**. Keep your fingers crossed that in the coming days/week the remaining snow will melt off the courts. To ready the courts work needs to be done which includes several court repairs as well as putting up nets and windscreens.

If you are able to help with the set up email : [facilities@reddeerpickleball.com](mailto:facilities@reddeerpickleball.com)

PS: We currently have 221 people registered for the 2022 Pickleball season!
