

Club News April 13/22

Getting closer...

We moving closer to the official opening of the courts for 2022 although the latest spring weather will pose a challenge for the exact date of start up.

Big news: There are great plans in the works for the 2022 season by the amazing player development and coaching team. There are many options designed to help with building your pickleball skills. Remember to check back often as the programs are being finalized.

SIGN ME UP!

Red Deer Pickleball Club will be using SignUpGenius (SUG) to manage our club league and round robin play for this 2022 season. The program will also invite members to events/lessons/clinics. It is an online software tool for event planning.

- Invitations will come from Red Deer Pickleball Club reddeerpickleballclub@gmail.com **as events are established**. If you don't receive an invitation from us, we ask that you check your Junk Email box.
- When you receive an invite to a sign up for an event, you can sign up with or without creating an account.
- In most cases, you can sign up with a name and email address only. If you have more than one email address, *please make sure you use the same email you used for your Pickleball Canada membership as this is the email used by SUG.*
- If you create a SUG account and later change your mind, you can easily delete your information from our system.

- Creating an account does provide extra flexibility. For instance, if you log in to your account, you can see all the upcoming events for which you have signed up and easily edit them if needed.
- There is no charge to open a SignUpGenius account.
Visit <https://www.signupgenius.com/register> and click on “New Account”.

The image shows a login page for SignUpGenius with a dark wood-grain background. At the top, it says "It's a great day to be a genius!". Below this are input fields for "Email" and "Password", a green "Login" button, and a "Remember me" checkbox. A horizontal line with "OR" in the center separates the login section from the registration section. The registration section includes a blue "Login with Facebook" button with the Facebook logo, a "New account" link circled in red, and a "Forgot your password?" link.

Sit back and get invited!

Are you new to RDPC and to the game of pickleball?? This is just for you!!

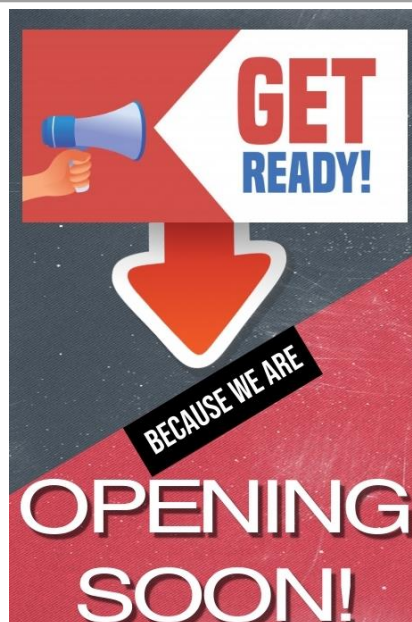

Let's Play Pickleball: This 2 hour clinic offered on Mondays is intended to give an overview of the basics of pickleball. It is intended for members **new** to pickleball. It is a FREE lesson for members of the Red Deer Pickleball club. A minimum of four participants are needed but ideally eight would be preferred. The tentative start date will be Monday, May 9th.

we want to hear
from you!

Another reminder:

The Annual General Meeting (AGM) for the Red Deer Pickleball Club **will be held April 26 2022 at 7:00 pm MST via Google Meet**. Please plan to attend and sign up @ ([RDPCAGM22](#)). Upon sign up you will receive an invitation to the meeting via Google Meet and all related documents prior to the meeting.

The RDPC membership count as of April 12- 255. An increase of almost 100 since the end of March!

Stay tuned for more exciting news!
