

Hosts for Club OPEN PLAY

As in past years, the club is asking for volunteers to be HOSTS. Host duties aren't onerous at all and it's a great way to be an active member of the club and to meet other club members.

HOST DUTIES

1. Arrive at the courts at session start time or slightly before.
2. Open the two boxes with equipment. Set up nets (get help from those that are there). Set up paddle holders and retrieve Host binder and balls.
3. Welcome all players! Introduce them to some other members who can take them under their wing to get them started.
4. Have all players sign in. Confirm that they are members. (Refer to the membership list in the binder (yellow paper) to confirm membership and their number.
5. Players who are not Pickleball Canada members (do not belong to another club) are required to sign a waiver - copies of which are available in the Host binder. Please ask them to READ IT CAREFULLY before signing as they will waive or give up certain legal rights, including the right to sue or claim compensation following an accident. (PCO Members have already "signed" a waiver during their membership sign-up.)
6. Visitors that either belong to another club or are new to our sport are required to pay a \$5 drop-in fee. Encourage these people to join the club. Even if they belong to another club, they can join ours as well. They are not obliged to join the club and can continue to pay the \$5 fee each time they play with us if they prefer.
7. At the end of the session remove everything, return it to their box and lock up.

If you have any questions, please e-mail volunteers@ipbclub.ca .

Thanks!
