This week reach out and welcome one of the over 130 new RDPC members to the club. If possible invite them to join you in a game. Remember a big part of the game are the friendships we create! As of May 22 we now have 529 members!

GREAT NEWS: We are opening the Doubles Strategy Clinic by Brad Chapman and Kim Layton on June 3rd to non members. For more information on this opportunity for those who are 3.0-4.0 go to this link: [Doubles strategy clinic](#) If the clinic does not get more registrants it is danger of being postponed.

Unfortunately, we are putting the [RDPC Youth Program on hold temporarily](#). Our coaches are working a new format for the program so that combines both fun and skill development. **We are planning to reopen our youth program as of June 19th. Stay tuned for further info!**

The Red Deer Open Pickleball Tournament is August 11-14th. There are over 300 registrations already! We anticipate we will need up to 125 volunteers plus referees/line judges. *This the official call to join the volunteer team.* Some positions require certifications/tournament experience but most require enthusiastic/dedicated pickleball fans. Court Officials will be requested through another format.

For those of you who knew Pat Penny, a long time member of RDPC, his celebration of life is on May 28. More information can be found [here](#).
