### Red Deer let's get active together!

The Red Deer Pickleball Club will be participating in the 3rd annual ParticipACTION Community Better Challenge from June 1st - June 30th, as we strive to be named **Canada's "Most Active Community"**.

The ParticipACTION Community Better Challenge is helping strengthen communities through physical activity and sport because *Everything gets better when you get active*. ParticipACTION is awarding a **\$100,000 prize** to the community who rallies the most participants and accumulates the most active minutes during the challenge. Individual participants can also win prizes by recording their activity on the ParticipACTION app.

We are registered as a sport group for the ParticipACTION community challenge. We will submit the number of members who were playing pickleball weekly using the member sign in records for drop in times from the morning and evening sessions.

If you book a private court please enter your own pickleball activity by creating an individual account.

See the [Let's Get Active](#) for more information

Its back! There will be **no** drop in fee requested from **non-members** during **scheduled drop in sessions (morning and evening)** from **June 1 to 15, 2022!** Bring a friend or tell a friend! Note: This does not include booking private courts.

The Red Deer Open Pickleball Tournament is August 11-14th.

We anticipate we will need up to 125 volunteers plus referees. Some positions require certifications/tournament experience but most just require enthusiastic/dedicated pickleball fans. We are in need of people to be the coordinator or co-coordinator to arrange for community sponsors, vendors, and the silent auction

Our club has 560 members so we calling on you to help out. So far the response has been low-just over 35 people stepping forward. Funds raised go back into the club.
