What is Sign Up Genius?: [Click here](#)

We are registered as a sport group for the 3rd annual ParticipACTION Community Better Challenge as we strive to be named **Canada's "Most Active Community"**.

We will submit the number of members who played pickleball during the morning and evening drop in times using the member sign in records from June 1st - June 30th. Please remember to sign in!

If you book a private court please enter your own pickleball activity by creating an individual account. See [Let's Get Active](#) for more the link

The Red Deer Open Pickleball Tournament is August 11-14th.

We anticipate we will need up to 125 volunteers plus referees. Some positions require certifications/tournament experience(we will train if needed) but **most** just require enthusiastic/dedicated pickleball fans. At this point all lead positions are filled.

Our club now has 577 members so we calling on you to help out. So far the response has been low-just over 45 people stepping forward. Funds raised go back into the club for projects, equipment, and maintenance.

To sign up go to the following link: [Red Deer Open 22 Volunteer Sign Up](#) Thank You
