

7 ways you can help with the Red Deer Open

We are fortunate to have a wonderful 20 court facility capable of hosting large tournaments. In 2019 we hosted the Alberta Provincials, last August we welcomed Canada to our fine facility for the largest National Tournament ever and this year we are hosting the Red Deer Open Tournament on August 11-14th. All the events are a result of the amazing tournament leadership in our club and from members who have volunteered their time. Wondering how to get involved??

Here are 7 way different ways you can help:

Volunteers are still required in most areas but mainly in food services, parking and facility services. Donate 8 hours of your time. To volunteer go to the following link: [Red Deer Open 22 Volunteer Sign Up](#)

We are seeking donations from club members for a **silent auction to be held during the Red Deer Open Tournament August 11-14th. This can be done as an individual donation or why not consider joining with a few other members to create a basket of unique items? If you can help please contact Val Volmin at vollminv1@gmail.com**

Can you assist in obtaining silent auction items prior to the tournament from local businesses or operating the silent auction during the day? Contact Val Volmin at vollminv1@gmail.com

****We are seeking a member willing to billet a couple who will be here to ref for the tournament. They are coming from out of**

province and will be here for the full tournament (4 nights). If this is something you would be consider please contact Val Volmin at vollminv1@gmail.com**

If you represent a business currently or in the past and would like to be a sponsor or if you wish to make a financial donation please email: reddeerpicklballclub@gmail.com

Can't make the tournament but having some baking "chilling" in the freezer? We will be asking for donations of baking from members for the players/officials at a later date.

Are you interested in becoming a referee? There are several steps required in order to obtain your referee certification including a written component and tournament experience. A referee clinic will be announced very soon.

We will reach 600 members very soon and even if you are seasoned member or one of the over 200 new members this year we ask you step forward to experience the excitement a tournament brings. It's a great way to meet other pickleball fans!

**LET'S DO THIS
TOGETHER**
