All kids ages 6-17 are invited to join our new RDPC Youth Pickleball Club!

We will be offering 2 hour sessions for youth on Mondays from 12-2 pm in July and August. Sign up for the entire month or both months!

Each week we will work on a different skill to help improve their pickleball awareness. Following the skill development there will be game play suited to the abilities of the participants.

Would you like to get involved with our youth players? The coaching team is looking for volunteers to help with our **RDPC Youth Club**. We need adults that are motivated to have a program for the youth and are willing to help out with the organization of this new club.

Contact lessons@reddeerpickleball.com for more information.

Did you know? The coaching team has been very busy since the start of our summer season. Over 220 time slots have been made available for members to take a skill development session (Let's Play, doubles clinics, skills and drills, progressive session etc). Amazing work!!

Thank a coach today!
