

**Are you interested in becoming a Pickleball referee?**

*The club will run the referee training program if there is enough interest.*  
YOU MUST FIRST take the Player Test, Referee Test, and Line Judge Test prior to this course.

Click here for the steps and the links to the training material and PCO tests. You may have to write the tests more than once to achieve the minimum of 80%.

Contact Doug @ [ref.rdpc@gmail.com](mailto:ref.rdpc@gmail.com) if you have questions or if you are interested.  
Good luck!
