End of the year schedule changes

All programs/round robins will end on September 30 (except Merv's RR will continue as long as there is interest). Members will be able to book open courts after September 30.

Before or around Thanksgiving the wind screens will be taken down and the water will be shut off. We don't have an exact date yet. If you wish to help with the taking down of the wind screens please contact facilities@reddeerpickleball.com

Fall School programs are starting

School programs will be using our courts starting September 19 (morning and afternoon) until September 28 and one school on Oct

3. Check HMC for specific courts/times being used. Please welcome them. If you have any used paddles you would like to donate-let us know and we will provide them to the schools.

End of Summer Gathering

A BIG Thank you to Fraser Stewart and Peggy Nishiezeki for being the lead on the September 10th RDPC End of Summer Gathering. Your time and efforts are greatly appreciated! In total 118 people participated in the year end fun tournament and BBQ. We hope everyone had fun and left with full tummies and new friends.

[Click on this link](#) to learn more about all those who helped make this day possible and see some photos including an item left behind.

Enjoy the fall days!
