

November 2022 Newsletter

Welcome to the November 2022 Newsletter

Majcomak

Welcome to all the new and current club members to the November Newsletter. Our club membership continues to grow, we are over 450 members and growing. The Board welcomes you all whether you are new or been with the club from the beginning.

A growing club brings about many challenges, we appreciate your support and patience as we grow together as a community. Our collective challenge is to retain the past successes with the new challenges we face. Hang on to your paddles as we grow the game in our club and Chilliwack together. Spoiler alert, mistakes may occur. Remember we are all volunteers in this pickleball adventure. ©

More importantly, on November 11<sup>th</sup> Lest we Forget, honour our current and past heroes.

## Communications

The monthly newsletter is only one avenue to keep members informed about the goings on that occur during the month. Carol Hart our Club Events Coordinator, and Lyle Simpson our Club President provide current emails to all members via the host Pickleball Canada (PCO). You will receive these emails on your personal email account or you can view them the PCO site once you have signed in, check the messaging centre.

In this digital age, we all have needed to be more technologically competent to function. It is interesting to discover how technologically challenged we all are.

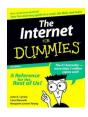

I encourage you to explore the sites and play around with the different links.

Like learning pickleball, it takes a lot of patience. Some more than others, above all don't be afraid. Please feel free ask the hosts for help at the club when playing at the Landing. Warning, consumption of alcohol may or may not work, but it may or may not hurt either.

### November 2022 Newsletter

### The Newsletter

Please provide feedback and suggestions as we continue to produce and publish the monthly newsletter. The goal is to make it informative, something you take the time to look over. As such we will be looking at different formats, and topics to produce. We will attempt not to duplicate too much information that has already been communicated. However, if you are like most of us subtle and not so subtle reminders maybe necessary. Not always appreciated but sometimes necessary, anyone with a partner or spouse knows that.

There will be an attempt to be Informative, creative, and somewhat entertaining. There are obvious limitations in that department. It is not a professional publication only a group of volunteers obligated to put something out each month. You are welcome to submit articles, ideas, and suggestions. Of course, no guarantees it gets past the editorial board, but it might.

"So you're tellin'me there's a chance?"

Yes Lloyd, just send your ideas, suggestions, and comments to:

Publicrelations@chillbc.com

Future topics or features may include, FAQ's, personal stories, requested news items, specials delving into ratings, rankings, exploring club policy, structure, procedures, Chillpb, and global pickleball news.

## Newsletter items, but first a Thanks to our Advertising Sponsors

We want to acknowledge and thank all our advertising sponsors who support the club and the tournaments that we run. If you have a business or know of sponsorship possibilities you can contact Tim Alsop our Director of Advertising. Every month we would like to highlight a sponsor on their behalf.

This month, we would like to thank **OK TIRE**, and remind our membership to look for tires and mechanical needs for this cold and rainy season. OK TIRE can help you out. <u>Contact Andrew and his Sons at OK TIRE!</u>

## November News Items

As November arrives there is a changing of the seasons in the air. As we navigated through the Covid mandated restriction season of a year ago, we now enter the rainy filled fall and winter seasons. With the returning rains come the returning outdoor pickleball players. Although there will be a fair number of members who will travel and be away this season, we expect the Landing to be full on a regular basis. It will be imperative that you register your intent to play through Pickleballbrackets. Drop in players will be turned away. So Instructions are located on the Chillpb website under the additional document section.

#### **New Playing Format**

The club is implementing a new playing format in an effort to provide members more opportunities to participate in the club rating and ranking system. Carol Hart sent out an email on Oct. 26<sup>th</sup> explaining the format and process to sign up. In short, there are two categories Competitive and Social play.

The Competitive play involves playing one round robin at your assigned net. Scores will be recorded in Pickleballbrackets for individual club ratings and club member rankings except when there are players in the group with a greater that a .5 rating difference.

Social play will be initially organized on nets but players are free to play anywhere on the social play nets without keeping a record of scores.

Additional playing formats will be included, you can check the different types of play on the November play schedule that is attached to this newsletter.

#### **Calendar Notes**

- Firstly, please note the cancellation dates.
- For the month of November all Saturday sessions will be held at First Avenue Church which has more limited playing capacity.
- Any player curious about singles play can get experience by signing up to new Half Court Singles playing sessions info attached

#### **Winter Tournament**

With a successful tournament under our belts the next tournament our club is hosting will be from December 27<sup>th</sup> to 29<sup>th</sup>. If you are deciding to play, don't wait too long, the tournament is nearly half full after just a few weeks of posting.

#### **Volunteers Needed**

We all know it takes a village to raise a child, well it takes an entire club to run a tournament. The vision of the club is to involve members in all facets of the club through volunteer opportunities. All members new, or seasoned are encouraged to help in running our tournaments. No previous experience necessary. We had 39 members and several nonmembers contribute time during the tournament. That's not including all the Board Members who ran and managed the event hours before and after the start and finish of the tournament. Truly a big win for club, players, and volunteers. You can contact Cathie Sessions our Director of Volunteers to volunteer, more info come.

### \*\*New\*\* Junior Program

The Club is excited to start the Junior Program for players 8 years of age or older. If you have children or know of children who you think would love the game sign them up and spread the news.

#### Junior Pickleball Lessons (8yrs & Over)

Why should kids play Pickleball?

- \* Fun, exciting and easy to learn.
- \* Stay active while having a good time.
- \* A sport for life that all ages can play.
- \* Affordable (all equipment will be supplied).

Where: Chilliwack Sports Landing Centre Session 1: Monday Jan 9th - Feb 13th, 3.30pm - 5.30pm Session 2: Monday Feb 27th- Mar 27th, 3.30- 5.30pm Cost: Session 1 - \$50/ Session 2 - \$45

### **Club Philanthropy**

Hey, here is something to cheer you up amongst the not so always happy news out there. Thank you to all our members who donated gifts and lottery tickets as draw prizes for the Fall Tournament. Sheila Armstrong, reports that we were able to raise \$1,091 to donate to the Senior's Resources Christmas Fund. Well Done everyone.

### **Club Adopt a Family Christmas Fundraiser**

We are starting our annual adopt a family Christmas Fundraiser this year by supporting two families from two elementary schools in Chilliwack. We know that there are some lesser fortunate families in our Community that could use a blessing and good cheer from some of us who are more fortunate. It is what we do at the Club.

Our goal is to duplicate your generosity of last years funding by supporting two families with Christmas hampers and to provide an additional \$500 to the two school's breakfast program.

Donations can be made either by etransfer <a href="mailto:pay@chillpb.com">pay@chillpb.com</a> or donate money to the host of the day. Money is best donated by the end of November or first week of December at the latest so that shopping gets done and hampers get delivered before Christmas.

## **NCCP Training Opportunities**

The club is hosting the National Coaching Certification Program for those players who would like to delve into the realm of teaching or coaching.

Level 1 will take place on Feb.20 $^{\rm th}$  at the Landing Level 2 will take place on Feb 18 $^{\rm th}$  and 19 $^{\rm th}$  at Evergreen Hall

See Lyle Simpson for Details

November 2022 Newsletter

I know too long, so much material. Almost done...

#### Reminders

- Please only arrive 15 mins prior to the scheduled play time, we are not permitted to be on the floor and playing prior to our start time. Please cooperate with the Hosts on the day.
- Playing at Portage has been a bit controversial over the last year and has not cooled down. Courts have been vandalized and member's cars have been vandalized while playing there. Although they are public courts, many of our members play there.
   Neighbours have been confronting city officials and at times players playing there. It is helpful if you are playing at Portage to begin play no earlier than 9 am to minimize any potential aggravation to the surrounding neighbours.

## October Highlights

- Positive Civic results, there were a number of Chilliwack Councilors that were reelected who are supportive of the club's plans to build and run our own facility. Cross all your fingers.
- Fall Tournament was a great success thanks to the Tournament Committee and all the volunteers
  - Facebook pictures
- President's Invitational was enjoyed by all who played, results and pictures can be seen on the Chilliwack Pickleball Facebook page
- Thanks again to Lyle and his team of volunteers putting on three days of introducing pickleball to about 16 Elder College students.
- Chilliwack Progress article on the Fall Tournament, October 28 E edition
  - Passion for Pickleball
