Changes to the RDPC Schedule:

Please check the schedule as we are making some changes.

We will be adding rated play to the schedule effective the week of Aug 22. We are adding 3.0 & 3.5 Rated play (4.0+ is in place).

Note:

-To play in the 3.0 event, you must have a 3.0 rating

-To play in the 3.5 event, you must have a 3.5 rating

If you have any questions regarding your rating, please have a look at the

[player ratings information](#) on the RDPC website. Rated play will enable our members to find play with other members of the same skill level. If you have any questions about the schedule or your rating, please send Val an email at ratingschair@reddeerpickleball.com

Note: Any courts that are scheduled for events and are not being used within 15 mins of start time will be forfeited for Drop-In (All levels)

Volunteer opportunities

- 1) We have reserved our courts for September 10 and 17th for a season ending RDPC members only tournament. It is not the complete end to our season but getting closer. Both days are booked in case of rain out (or snow!). We are looking for volunteers to organize this event to include as many of our 646 members as possible in a unique tournament style. If you are interested to lead or help, please send an email to: communication@reddeerpickleball.com
- 2) Our newsletter/social media volunteer is leaving for an extended holiday as of Sept 19. We are in need of someone to take on the role of creating and posting the club news items from Sept 11- Nov11. The number of postings/newsletters will vary based on the need of information to go out. Training would be provided for you to utilize the platforms we use. Ideally, you have experience with Microsoft word and Facebook. If you are interested, please send an email to: communication@reddeerpickleball.com
