To all those involved with Xplore Sport Day (May 7) thank you! Helping the public understand more about Pickleball is a BIG job! Whether you helped by answering questions at Capstone in the morning or helping the public play the game at our courts in the afternoon-we appreciate your time and assistance!

Did you know that the **Let's Play Pickleball** introductory lesson offered by RDPC for new members has over 60 registrations!!! Congratulations and good luck to the player development team as they assist new members in learning how to play pickleball!! We continue to welcome new members and renewals--As of May 8 we have 450 members!!!
