

How to renew your membership with Red Deer Pickleball Club

When you are renewing your membership avoid opening a second account on the PCNS. Use the same name, PCO#, address, and email to confirm. Ensure you don't initiate a new account with a nickname or when you have a change of address or email. Just update those things on your current PCNS account. It is important to have only one account on PCNS.

Click here [Red Deer Pickleball Club](#) to go directly to our website within Pickleball Canada. On our PCNS site you will find the link for joining or renewing your members, a video overview for multiple registrations, information about fees, and payment options.

It is important that you use the same account even if you are joining additional clubs in Alberta or clubs in other provinces
