

Sponsorship Program

*The **Delta Pickleball Assoc** has approx. 600 members and was formed in 2017 to promote, educate, and coordinate the sport of Pickleball in Delta. We liaise with the facilities management and the municipality to book court times and provide and maintain outdoor facilities.*

The game can be played at any level and, regardless of skill level, develops quickness of mind, faster reflexes, and uniquely activates portions of the brain few other sports do. It is a highly social game, bringing all ages into an environment where contact with others is a requisite part of the sport. Its benefits as a social experience are unparalleled.

The **Delta Pickleball Assoc** acts as a catalyst to support these players through an informative website and member newsletters promoting dedicated club playing times, clinics and tournaments. We have added sponsorships to help defray the costs associated with our website and newsletters. Your support will help us increase the opportunities and growth of pickleball in Delta, while highlighting your company.

Our site currently gets over 2,000 visits a month. We offer a limited number of sponsorship options allowing a business to advertise and, at the same time, support the sport of pickleball in Delta. Rates are for 2022, and are outlined below.
