

Ladies Skills & Drills

Your choice: if you want to do skills or just play

Sign up for **Skills & Drills** on PlayTime Scheduler (PTS). If there are too many, we will start a second session.

No need to sign up if you are only playing and not interested in the **Skills & Drills** Session. Still come to the appropriate time for your level.

This is open to all Ladies that have a current DPA membership.

There will be a **Skills & Drills** Session for the Ladies that want to improve their game. If you are looking to build your confidence on the courts, meet new people, and share some laughs this session is for you. All levels welcome, we will be splitting the groups according to levels.

See the following guide (or the link from our website) for skill levels:

Please come to the appropriate level and arrive a bit early so we can start promptly.

How it will go: 30-45 minutes skills and drills or game strategy with coaches. Then we will break off into games to try the new skills. Everyone will be learning so don't worry about getting it perfect.
