

## ROUND ROBIN UPDATE

We have had a great response to "Round Robin with Michael" with 35 people registering on the first 2 days. Based on this positive response we have booked additional court time to accommodate another RR. It will run for 5 weeks on Tuesdays 10-12 noon beginning May 2. Again, it will be a sign-up on a weekly basis. We are hoping for nothing but sunny skies; however, Kerry Park indoor courts (curling rink) will be available in case of rainouts for all dates except Wednesday April 24 and Tuesday May 9.

We are looking for a volunteer to run the second RR. Michael has offered to help this person get set up. We have RR sheets available for various scenarios. The bonus to this new coordinator is your automatic inclusion in all 5 Tuesday sessions. Contact Colin if you are interested: 250-710-6203
