The Pickleball Alberta Provincial Championships are August 10-13<sup>th</sup> and the RDPC is the host club for this premier event. There are over 450 registrations to date! We anticipate we will need up to **100 volunteers plus referees**. Some positions require certifications/tournament experience but most require enthusiastic/dedicated pickleball fans. ***This the official call to join the volunteer team.***

If you indicated you would help with tournaments when you registered or renewed your membership, *we need you to sign up now*. The good news is several tournament areas already have the volunteers they require. However, there are still many areas left to fill.

The first round of positions are listed below

--- If you wish to volunteer for the following areas: Snack table, beer tent, Saturday supper event, volunteer desk or maintenance/facilities. On this site you can also make a donation of food for the snack table, lend a 10x10 canopy tent, power bars, or 25-50 ft extension cords or billet a referee.

To register go to this link: [Provincials Volunteer sign up](#). **The link will also be on our main club website (look for Tournaments).**

Additional volunteer opportunities will be added as required.
