

# PLAY LEVEL RATINGS

July 2023

**Competitive Sessions** - 3.75 and above require a DPA approved rating

**Recreational/Social Sessions** - do not require a rating

**Criteria** - DPA accepts **3 options** that constitute a rating for **competitive** sessions.

Although we prefer you use options one or two, any **ONE** of the three qualifies as a personal rating.

1. Sanctioned tournament rating with enough games. Note Pickleball Brackets needs sufficient games to calculate a reasonable rating. Ladder play does not count.
2. Certified Rater rating - IPTPA Skill Assessment
3. DPA Club rating - the IPTPA Skill Assessment tool will be used at identified rating sessions set up by DPA - at least 3 members of the Club rating committee will be present for sessions that you may sign up for using Playtime Scheduler
