Our club is growing, growing, growing (now at 871)! We want to free up space in the shed at the courts. We are in need of a storage space to house many tournament related items. If you have extra space in your garage/storage locker please let us know. Contact volunteer@reddeerpickleball.com for more information.

Are you missing a sweatshirt, sandals, water bottle or a top? The lost and found is **growing** so please check it out before items are donated to charity on August 4th. The court captain can show you where the lost and found is housed.
