Membership Renewal (You may already be registered with Pickleball Canada and Pickleball Alberta as a former member of the Lacombe Peeps, now changed to Lacombe Pickleball Club or another Club such as the Red Deer Pickleball Club.) In this situation you will only be paying the Lacombe Pickleball membership fee.

If you are wishing to renew your membership we use the Pickleball Canada National System (PCNS). The link to renewals for the Lacombe Pickleball Club on Pickleball Canada can be [found here](#). Follow the steps found under REGISTRATION GUIDE.

Note: When you are renewing your membership avoid opening a second account on the PCNS. Use the same name, PCO#, address, and email to confirm. Ensure you don't initiate a new account with a nickname or when you have a change of address or email. Just update those things on your current account. It is important to have only one account on PCNS. It is important that you use the same account even if you are joining additional clubs in Alberta or clubs in other provinces
