

Club News Sept 30

RDPC Pickleball final weeks and close up:

As of Sept 30 there are no court captains assigned. The first and last RDPC member on the courts will be responsible to open and close the gates/lock washrooms. When leaving always check with others that they know how to close up or do it yourself.

The schedules will see a mix of private court play and drop in play and one rated RR round. Private courts need to be booked otherwise they are considered open play.

Therefore, please check this link often: **Summer and Fall Play Schedule.**

If you have non members friends joining you they will not need to sign in or complete waivers but please remind them to make a payment.

NOTE:

After the Thanksgiving long weekend there will be a crew taking the wind screens down and most of the nets. Washrooms will then be closed and the water will be shut off as well. The actual day dependent on the weather permitting. A row of courts (1-6) will be available until the weather is too cold or October 30th.

The Summer and Fall Play Schedule will be adjusted once the majority of nets are taken down.

Fall School Programs School programs started September 19:

Various days and times are booked in the afternoons currently. Open play courts will be limited in the afternoon sessions. Check the Summer and Fall Play Schedule on the [Summer Play Page](#) on our website for the courts reserved for school programs.

Winter Play 23-24:

We are planning the official re-opening of the indoor courts at Bower Place very soon. Information regarding schedules and procedures will be posted on this link: [Bower Place](#) on our website. Our lease expires Dec 31st

but we are currently working with Bower Place regarding extending our lease into 2024.

We are in need of members to serve as court captains primarily in the evening and on the weekends. Please email communication@reddeerpickleball.com for more info. Without court captains some sessions may not be available.

For other facilities that offer pickleball options in the Winter check the link: [Other Pickleball Locations](#) on our website.
