

## Winter Play at Bower Place

Winter play will officially start on Monday, October 16th.

For information on winter play at Bower Place (guidelines, payment procedures, schedules, bookings etc) go to the following link found on our club website: [Winter Play at Bower Place](#)

The fee for member usage is \$40 per month or \$5 per session. Non-members currently pay \$10 per session. Members are able to play seven days a week. Our lease expires Dec 31st but we are currently working with Bower Place regarding extending our lease into 2024.

**The code for the door is as follows: If the door is locked to our Pickleball space at Bower use the touch lock box located on the facility door. Touch the Yale logo and enter code then checkmark. The code is subject to change.**

We are in need of several court captains at Bower Place especially on the weekends and the occasional mid day for non member bookings. We also need members to serve on the organizing committee as well as the facility team (ex, manage the recycling/garbage/water replacement or oversee court repairs). **Without member support Winter Play will not be viable.**

For the coming winter season we are invite offers from the RDPC membership **to lead and organize** men's/women's/mixed/single round robins, etc at the indoor courts at Bower. There are several opportunities during the mid day, some mornings/evenings during the week and on the weekends. Maximum availability is 7 courts and minimum would be 3 courts.

If you have questions/comments on winter play, **or** would be willing to be part of the winter play committee (see above) **or** are interested in leading/organizing one of the sessions above please email [communication@reddeerpickleball.com](mailto:communication@reddeerpickleball.com).
