## ❖ Pickleball Achieves Full Sport Status

At the Myoflex 2023 Pickleball Canada National Championship, it was announced that pickleball in Saskatchewan has achieved full sports status. This is the result of the effort of numerous people to develop training, coaching, referees and major tournaments across the province. Saskatchewan joins Nova Scotia as the only provinces with this distinction in Canada. Congratulations to Pickleball Canada and Saskatchewan for your support to make this happen. Full sports status allows added help and resources through SaskSport.
