

Winter Play at Bower Place Nov 29

Winter play continues to draw interest. Through the month of November there were 800 people who signed in to make use of the facility. 91% of the users are members of the RDPC.

Our lease will expire Dec 31st but we are finalizing our lease into 2024.

We continue to seek ways to make the facility more user friendly. We are testing a non-skid paint on court 3 and initial feedback has been promising. People are saying it is more user friendly/safer.

Depending on the feedback our plan is to continue the non-skid paint onto the other 6 courts.

We invite you to try out the court.

Send us your feedback about the court floor

to communication@reddeerpickleball.com over the coming days.

A few reminders:

-The majority of the schedule requires you to book courts although most mornings and several evenings are drop in play. **Check the HMC schedule regularly.** Bookings take priority.

-Programs (round robins etc.) will be considered when members are willing to coordinate it. **The Sunday recreational RR has been a great success! There are still several opportunities for members to utilize the facility as a group/family event/friends.**

-The fee for member usage is \$40 per month or \$5 per session. It is preferred you pay monthly at the beginning of each month however we do welcome monthly payments during the month.

If your payment is by etransfer (daily or monthly) please indicate it is for winter play and the specific day/month you are paying for.

Make your payment the day you access the court-not several days later.

-Non-members currently pay \$10 per session and require a waiver to be sign or on file. Non members are welcome to join during drop in play or with a paying member.

-The code for the door is as follows: If the door is locked to our Pickleball space at Bower use the touch lock box located on the facility door. Touch the Yale logo and enter the code then checkmark. The code is subject to change. To lock the door, touch the Yale logo. **Check to ensure the door is locked.**

-Balls **are not** provided. Bring your own and do not take them from the ball machine.
