

Winter Play at Bower Place Jan 1

Winter play continues to draw interest. Through the month of Dec there were just over 900 people who signed in to make use of the facility.

Thank you for your feedback on the courts regarding the non-skid stain. What a difference it has made!!

We will continue to make some change as the need arises.

A few reminders and important information:

-The schedule on the winter play page of our RDPC website is just an overview of the week or month. It is does not reflect daily bookings made by members. Check the HMC schedule regularly to see the actual court bookings for each day.

-NEW: With only 7 courts we will be limiting members to <u>one court</u> booking of up to 3 hours each day. Members will also <u>no longer be able</u> to book multiple courts. Members can play any number of hours, but can only book <u>one</u> court each day, (you can play more than 3 hours but under another member's booking).NEW

-As mentioned before the majority of the schedule requires you to book courts during the week. Several mornings and evenings have courts listed as drop in play. *The intent of drop-in play is for people to be open to playing with other people.* If you are short a player, invite someone to join your game. People can play as a group but when they are done their game they should leave the court and allow others to play. If no one is waiting you can continue playing. -Balls are <u>not</u> provided. Bring your own.

Due to operational issues the ball machine is no longer available until further notice.

-If the door is locked to our Pickleball space at Bower use the touch lock box located on the facility door. **Touch the Yale logo and enter the pass code then checkmark.** If you are the last one to leave close the door then touch the Yale logo. Check to ensure the door is locked.

-The fee for member usage is still \$40 per month or \$5 per session. It is preferred you pay monthly at the beginning of each month however we do welcome monthly payments during the month. **By now everyone should know to bring the correct amount of cash or be prepared to etransfer your entrance fee on <u>the day of court usage</u>.** *We do not provide change***. If your payment is by etransfer (daily or monthly) please indicate it is for winter play and the specific day/month you are paying for.**

The monthly fee for January is now due.

-As of February 1st/24, if you wish to get the member's fee of \$5.00 your RDPC membership will need to be recorded as active for 2024. If not the cost for using the courts at Bower Place will be \$10.00 (non member fee).

<u>Renew today!</u>

-Non-members currently pay \$10 per session and require a waiver to be signed or on file. Non members are welcome to join during drop in play or with a paying member. **If a non member guest joins you it is up to you to ensure they sign in, complete a waiver and make the correct payment.**

-Programs (round robins etc.) will be scheduled when members are willing to coordinate it. We invite offers from the RDPC membership to lead and organize men's/women's/mixed/single round robins, etc. at the indoor courts at Bower. There are several opportunities during the mid day, some mornings/evenings during the week and on the weekends for organized play. **If you are interested or have questions please contact <u>communication@reddeerpickleball.com</u>**
