Social play is open to players of all skill levels and teams will be random and play will be round robin.

Open play is open to all players BUT players may form their own groups and enjoy private play. This is outside of scheduled play, so unless you have formed a group of 4, do not come to play as a single player expecting to play. Use Facebook to ensure other players come and play. Saturday and Sunday play can be any time during the day as you make your own groups and play outside.

Rated play has players of equal skill level playing in smaller organized groups.

Evening play may be unmonitored if no Organizer is present, so players will be expected to set up nets and organize groups with whoever is present. Sign up and pairing sheets are stored in the plastic bin on the shelf within the clubhouse. The nets are also located in the clubhouse. At the end of play, nets (not the metal brackets) will need to be taken down and stored in the clubhouse. Please ensure the clubhouse and courts are locked after play.
