10:15 - 12 PM Open play- Paddles Up	All	Open play	Closed	Open play	Closed	Open play		

Social play is open to players of all skill levels and teams will be random and play will be paddles up format.

Open play is open to all players BUT players may form their own groups and enjoy private play (see below). This is outside of scheduled play, so unless you have formed a group of 4, do not come to play as a single player expecting to play. You may be able to form a group with any available players if they choose to join. Use Facebook to ensure other players come and play.

Any member can pre-book a court for some private play two days before by signing up on our Schedule Whiteboard. Please include the date you want to reserve the court and the court number. This is to help members utilize their limited indoor times to play THE WAY THEY WANT and with their choice of players. We are trying to help players get value for their \$50 spent on indoor play.
