Where can I play?

Whether you are new to pickleball, a seasoned player or somewhere in between- there are many options to learn and to play:

Canada Games Centre:

The CGC offers daily **drop-in play** times where you can “drop in” and play with whomever else has shown up. Here you will find a range of skill levels and the number of players present will vary with each session. This is a fun way to meet other pickleball players. If you share that you are new to the game, most will help you.

Check the CGC schedule for times

What about Lessons?

In partnership with YPA, the CGC offers:

Intro to Pickleball

(getting started)

If you haven't taken any lessons this is the place to start.

Pickleball Fundamentals

(getting better)

These classes (series of 3) are where skills introduced in Intro to Pickleball will be reinforced.

All classes are taught by Instructors from the Yukon Pickleball Association.
