

## Summer is here and with it comes the heat!

We are adjusting our start times for all events except for Saturdays (restricted start time is currently 9:00 a.m.)

Members appear to be avoiding the current 11-1 p.m. events when the heat is a factor, and the evening events can only find some shade by about 6:30 p.m. This new schedule will run for July, August, and possibly September. The two Tuesday Round Robins will still alternate start times each month. For July, the RR (beginner-3.25) will have the early start.

*The early birds will enjoy the 8:00 a.m. start while some of us may need to set the alarm clock!! At any rate, enjoy your games and happy pickleballing!*

### 8:00 a.m. start

- Tuesday RR (beginner - 3.25 July) (3.5+ August)

### 6:00 p.m. start
