

Visiting Whitehorse and Want to Play Pickleball?

Whether you're visiting for a few days or a few months, you have two great ways to play:

1) Just Dropping In? Try the Canada Games Centre (CGC)

- Visit the **Canada Games Centre website** to view the **daily schedule** and look for **drop-in pickleball times** . [CLICK HERE](#)
- No membership required — just pay the daily fee (**approx. \$8.95**)
- Includes access to other great facilities like the **pool and gym**
- **Heads-up:** Summer can be quieter, so you might not always find others to play with

2) Want to Join Yukon Pickleball Association (YPA) Programs?

Awesome — we'd love to have you!

Step 1: Be a Member of Pickleball Canada (PCO)

This is required for insurance purposes.

- **Already a PCO member?** You're good to go — welcome aboard!
- **Not a PCO member?**
No problem — just buy a **YPA membership** for **\$25**. It includes PCO membership and can be purchased directly on the [YPA WEBSITE](#)

Step 2: How Long Are You Visiting?

- **Here for 2 weeks or less?**
You can play for **FREE** with Yukon Pickleball Association programs
- **Here for over 2 weeks?** We invite you to still play, there are just a few [EXTRA STEPS](#)

Step 3: Check the YPA Schedule

- From June- September we run **indoor programs** (see *Indoor sign ups*) and **outdoor programs** (see *Mt. Mac events sign up*). [SUMMER SCHEDULE](#)
