Minutes of April 27th, 2025 meeting to be approved or further discussion

Rob approves the minutes

2nd by Tim

BUSINESS ARISING

No new business arising from the previous minutes.

INDIVIDUAL DIRECTORS' REPORTS

President

We have heard nothing back from the Town with regard to the wording on the new agreement. We are still waiting on the final updates before signing on the approved agreement. We are going to be paying the \$3,000 for this year of our court costs as agreed. The checks have not been cashed yet and are awaiting further approval.

The new signs are purchased and will be set up by next week when the Town installs them on the courts. Cleaning the courts from the Town has been cleaned but continues to be hit and miss. The Town owns the courts but we seem to do all the work keeping it clean and updated. Helen has been updating Courtney more often this year to get them cleaned.

Helen is going to purchase carabiners and a lock as the old one was getting rusted over during the winter.

Jules has again purchased pickleball handle wraps and will be donating the donations to the Kingsville Food bank at the end of the summer.

Darlene is having the clothing shop set up again this summer. Look for the online store when it opens. We will share the link when it is open. Darlene does have approval from the board to continue this as she did last year.

Vice President

-none

Treasurer

No treasurer report as the treasurer responsibilities will be transferred over to Rahul.

Explained some of the responsibilities that he will be doing.

Director at Large

We have multiple ways for how KPI communicates with its members. Emails get sent out, our KPI website, facebook pages, and the information board inside of courts. All KPI correspondence (i.e: sign up to be a convenor, register to join a league, offer to volunteer) comes from a KPI email. Members can send individual emails (i.e: convenors to members who signed up) not through KPI but everything starts with a KPI email.

When we are discussing ideas on how members can give their input when they have ideas or concerns. We are looking for suggestions. At any time members can come to the meeting to discuss their inputs or ideas. We can send out an email a week in advance letting members know about the upcoming Board Meeting.

Rob received an email regarding KPI and helping run youth clinics at Migration Hall. Rob asked for board approval to have youth clinics in exchange for regular consistent pickleball time in the Winter. He will be looking into this further.

League update

Every day there is league play either in the morning or in the evening. Check the website or contact Rob if you want to sign up.

What to do if someone gets injured. Have a checklist that Rob will set up and put in the Bulletin board. An email will also be sent out to members. All insurance is personal insurance that they can get access through Pickleball Canada.

Rob is always looking to get more members involved in helping KPI run smoothly. Volunteers are always needed and we would need more people interested in helping out. Contact Rob if you want to get involved.

Looking to have some tournament dates over the summer. It will be a paid tournament and donations will be given to the food bank. Will have a minor prize for the winners. Looking at dates on June 19th, 21st or July 5th for tournament dates. Rob will look into additional dates. People will be signing up as a team. Courts will be closed on those dates if they happen in the morning.

Secretary
