Pickleball Introduction in Phys Ed Classes in Schools.

PEI Pickleball ÎPÉ has been providing Pickleball Coaches to schools across Prince Edward Island to introduce the students to the sport of Pickleball. This is offered in the Physical Education class and is made possible by a grant from Amateur Sport, Division of Sport, Recreation, and Physical Activity. The response from the schools has been great, and the Children love it. The Phys Ed Teachers have been most welcoming. Over 1000 children have been introduced to the sport. Thank you to the Pickleball Coaches who have assisted in conducting this program.

Pickleball Calendar for Pickleball Tournaments

PEI Pickleball ÎPÉ has expanded the scope of the Tournaments which will be included on the Tournament Calendar on the Provincial website and Facebook. This calendar will also include any Tournaments held on PEI and those in the Atlantic Region which are sent to us. This will be for information purposes so that more than one Tournament will not be held at the same weekend on PEI. This will also help avoid Tournaments two weekends in a row. To have your Tournament added to the upcoming calendar, please email peipickleballipe@gmail.com and subject Tournament.
