INDIVIDUAL DIRECTORS' REPORTS

President

Item purchases:

A label maker has been purchased and KPI members can ask to have their name printed so it can be applied to their paddles.

Carabiners for the back screens to replace the string that was holding up the screens.

White boards and markers have been ordered and can be used by KPI

Carol Dover, an original KPI member passed away. A basket of fruit was sent to the family.

We will see in the future that we might need to adjust the bylaw as we have more members then the original 30 members when KPI was started.

Jude completed some repairs on some of the screens and added stronger magnets.

Set date for AGM

Aug 29th @ 9am

Pizza will be provided after the meeting.

### Vice President

Agreement update- Tim and Helen continue to meet with the Town Solicitor, William Good. The language in the agreement has not been settled to date. Helen and Tim met on May 24th and thought it was settled but it was not at that time.

It is still in the Town's hand to update the agreement for what KPI and the Town both want.

### Treasurer

Rahul is getting access to the bank with Helen so he can get the proper information to do the report.

### Director at Large

Tournaments:

The tournament went well on Saturday, June 21. \$360 went to the Food Bank. Big hit was the trophies that Tim supplied. Rob wanted to give a big thanks to Wayne and Jules. Thanks to the Town for sponsoring the tournament. Helen mentioned that everything that Rob is doing a great job with the leagues and everything that she is hearing is positive.

Rob is looking for feedback on tournaments and leagues that will help in the future.

League play:

All leagues are being started at 11am during the week.

All leagues are being started at 6pm each night during the week.

2 leagues on each weekend.

2 league banners for league on the Weekend, 2 banners for Members. The rest of the public access.

The 11am weekday league might change time next year to 11:30am depending on the number of members that KPI has.

Van is running the drill session each week in the evening at 4pm. We could see our 4pm time slot used for teaching or training. Rob is always looking for other ideas.

Need people for the July 5th tournament.

Looking for feedback on tournaments in the future.

Secretary

None

#### NEW BUSINESS

We have 2 members that cannot play because of medical reasons and we are looking to reimburse them once a cheque is ready.

Date of next meetings

Aug 5th @ 6:15pm

Aug 29th @ 9am AGM

Sept 30th @ 6:15pm

Meeting adjourned at 7:15pm
