Your cooperation and involvement help strengthen the YPA community for everyone.

# BOOKINGS

Facility times become available to book online on Sundays at 7pm for the following week. During the winter, slots fill quickly and the association may ask members to refrain from booking too many slots throughout the week on Sundays so as to create an equal opportunity for all to have some court time. Please keep an eye on your emails for newsletters from YPA to stay in the loop on these guidelines.

To book court time, scan the QR Code or use the web address below and select the Indoor Event Signup or the MT MAC Events Signup. A drop down menu will appear and you can select the time you'd like to play.

# GROUPS

Similar to round robins, group play refers to organized games involving multiple players rotating through matches, often in a social or skill-building setting. What sets group bookings apart is that it is composed of a specific set of players who have chosen to come together to play and/or drill in a informal setting.

- Groups are typically formed by word of mouth and by those who enjoy similar levels of play.
- In group bookings, you would select one of the courts available and that court would be allocated to your specific group.
- All group members should sign up for their court.
- If you have not previously discussed joining a specific group, you should not add your name to their court.
- Individual players register online by selecting the “Indoor Events Signup” or “Mt Mac Events Signup” (summer only).

Scroll through the drop down for date and time options.

**Please establish your group then register for a court.**

Scan the QR Code. It will bring you to our main page where you can click the 'Event Deregistration' button, and follow the steps. You will be required to login to the Pickleball Canada website.

## IF I HAVE A COMPLAINT ABOUT ANOTHER MEMBER, WHAT SHOULD I DO?

If you have a suggestion or a concern, we kindly encourage you to first speak directly with the individual involved, one-on-one, in a respectful and constructive manner.

Many issues can be resolved through open and honest conversation.

If the matter remains unresolved or requires further attention, you are welcome to bring it to a board member for support.
