5. CVRD has sent out a survey to all households and also requested that our club provide feedback on facilities, etc. that residents could like.
 - We would like to encourage our members to respond requesting more pickleball courts or, at least, more court time for clubs; shade structures be provided at Kerry Park; and a request for bathrooms close to the courts.
 - This led to a discussion of other items on our club wish list including an AED machine, solar panels for charging equipment for leaf blower, etc., and, one day, a camera so that we can determine the weather at the courts and whether anyone is there.
6. Next meeting: the AGM to be held on Saturday, September 27th after the "all court" round robin! Expected time 11:30.
