

New Levels of Play at Sussex Pickleball Club!

We're growing fast, and we want to make sure every member finds their "sweet spot" on the court! To help you choose the best sessions for your style, we are introducing three new session categories:

Beginner / Non-Competitive (Levels 2.0 - 3.0)

The Vibe: Fun & Social. **Who:** You're mastering the rules and scoring, or you just want a relaxed game without the pressure of intense competition.

Intermediate (Levels 2.75 - 3.75)

The Vibe: Active & Improving. **Who:** You've got the serve down, you're working on those dinks and drops, and you're ready for vigorous, heart-pumping rallies!

Advanced / Competitive (Levels 3.0 - 5.0+)

The Vibe: Fast & Strategic. **Who:** You use the "third shot drop" as a weapon and have high control over pace and placement. You're here to sharpen your competitive edge.

Which session should I join?

Check out our new [Level-Rating Cheat Sheet](#) to see where you fit best. We encourage everyone to sign up for sessions that align with their skill level to keep play balanced and fun for all!

Love playing with everyone?

Don't worry! We still have **PLENTY of Open Play sessions** available for all skill levels. These "All-Level" slots remain a staple of our club for those who enjoy the variety of our full community.

See you on the courts!
