

## BVPA Session Captains Wanted

---

### Help make every session great!

BVPA is looking for friendly, organized, community-minded volunteers to step into the role of Session Captain. If you enjoy pickleball, like helping people feel welcome, and want to make a real difference without taking on a huge job, this could be a great fit.

### What is a Session Captain?

A Session Captain helps a BVPA session run smoothly and keeps the vibe positive, inclusive, and fun. Think of it as being part host, part helper, and part calm-on-court problem solver.

What Session Captains do:

- Welcome players and help create a friendly atmosphere.
- Help sessions start on time and stay organized.
- Support fair play and good sportsmanship.
- Answer basic questions from players when they can.
- Help new or visiting players feel comfortable.
- Flag issues, concerns, or recurring problems to BVPA organizers.
- Encourage a fun, respectful, and safe experience for everyone.

Why volunteer?

- Give back to the BVPA community.
- Help make sessions more enjoyable for all players.
- Support a positive, inclusive club culture.
- Build connections with other members.
- Take on a meaningful role without a major time commitment.
- Be one of the people who helps keep the wheels turning.

### Who would be a great fit?

**You do not need to be an expert player to be a Session Captain.**

This role may be a great fit if you are:

- Friendly and approachable.
- Reliable and reasonably punctual.
- Comfortable speaking with other members.
- Calm, fair, and respectful.
- Willing to help with small issues before they become big ones.

- Positive about supporting BVPA sessions and community spirit.

## The time commitment

- Volunteer for one session or more, depending on your availability.
- Share the load so no one person has to do it all.
- Help us build a strong rotation of captains across sessions.

## A few important notes

- Session Captains are there to support the session, not to do everything.
- You will not be expected to solve every problem on the spot.
- BVPA will provide guidance on expectations for the role.
- A great attitude matters more than perfection.

## Interested?

If you would like to volunteer as a BVPA Session Captain, please reach out and let us know:  
Send a note to [Play@bowvalleypickleball.org](mailto:Play@bowvalleypickleball.org)

Include:

- Your name.
- How often you might be available.
- Which specific sessions or times you may be able to help with.

BVPA runs on member energy, generosity, and community spirit. If you can help, even occasionally, it will make a real difference. And yes... you will also earn the unofficial title of Keeper of the Good Vibes.

Questions are welcome too. Thank you!
