About Us

The Yukon Pickleball Association (YPA), established in December 2018, is a non-profit society and the official territorial sport organization for pickleball in the Yukon. Dedicated to growing and promoting the sport throughout the region, YPA offers a wide range of indoor and outdoor programs tailored to all skill levels. These include round robins, clinics for skill development, introductory sessions, and both recreational and competitive tournaments. Through advocacy, inclusive programming, engaging events, and facility management, YPA works to make pickleball accessible and enjoyable for everyone in the Yukon.
