

ScoreTrakker XC2.0

Enter each participant's ID # in the order of finish. This can be done as participants finish the event, or after the event is finished. Enter times as plain text. When all information is entered, navigate to the Race Summary using the tabs at the bottom of the page for a print-friendly version.

After race results are entered, navigate to the Team Results page and click Export to PDF. When the PDF appears, you must save the PDF to the destination of your choice. Repeat the above procedure for the Individual Results page.
